Online skills-development course for building vocab and improving reading comprehension

June 10, 17, 24, July 1	2020	8 class units
July 8, 15, 22, 29	2020	8 class units
August 5, 12, 19, 26	2020	8 class units

Course description:

This online course has been designed for students of Hungarian at advanced level and for those who use Hungarian as a heritage language to learn about the legendary performers who have made it to the hall of fame of Hungarian rock and popular music (including *Illés, Omega, Republic, Edda*, etc.) and their songs. Course participants will have an opportunity to listen to and analyze songs from as early as the 1960s, which have since turned into classics and essential elements of Hungarian culture, due both to their tunes and to the messages oftentimes latent in their lyrics. Scheduled for a total of 8 practical class units offered in blocks of 90 (2 x 45) minutes per week, **Not just top hits** provides students with a chance to practice their listening skills and improve their listening comprehension aptitude as well expand their vocabulary of contemporary Hungarian culture.

Course details:
