in the academic year of 2019**

Note: This document has been prepared in English as a complementary material to the official Hungarian language call-for-application. In case of doubt, please refer to the original version and/or contact us.

Based on the 241/2016. (VIII.16.) Government Regulation and the 17/2018. (VI. 11.) Order of the Organizational and Operational Rules of the Ministry of Foreign Affairs and Trade (MFA), the Ministry invites applications for a **9-month Hungarian State scholarship in the academic year of 2019 for the**

HUNGARIAN LANGUAGE AND CULTURAL STUDIES PROGRAMME.

The scholarship is intended for individuals of Hungarian descent living outside of Hungary who wish to strengthen their language knowledge and cultural identity.

The objective of the Hungarian Language and Cultural Studies scholarship is to improve, broaden and strengthen the Hungarian language skills and cultural knowledge of young people of Hungarian descent, who are citizens and residents of other countries (the so-called “Western diaspora”). The two-semester course takes place in the MFA in Budapest with the cooperation of the KKM Oktatási és Rekreációs Kft. (KKMOR Kft., a background institution of the MFA).

Individuals between the age of 18 and 35 years are invited to apply. All applicants should have **foreign citizenship**, those with dual citizenship (Hungarian and other) are also encouraged to apply. Volunteer work, references from post-secondary institutions, and any other activities related to Hungary or Hungarian culture are all taken into consideration in the selection of the applicants.

About the programme:

The programme consists of language and cultural studies and provides opportunities to actively explore Hungary and contemporary Hungarian culture. In the framework of cultural studies students learn about history, literature, geography, folklore, art history, and social issues. At the end of the programme students take a final exam in the above subjects, defend their final essay, and take a Hungarian language exam officially recognized by the Hungarian state. (The level and type of the language exam is decided by the language skills examination board.)

Participants of the programme will receive a certification at the end of their studies.

Class attendance is compulsory. Should a participant miss classes without cause, or violate the Study and Exam rules or Disciplinary Guidelines, he/she will lose the right to continue the programme and the right to dormitory placement. Any individual who has been expelled from the programme will have to repay all stipend (monthly allowance) received up to that date.

Duration of the programme is 9 months (February – June 2019, September – December 2019).

The scholarship includes:

- full tuition fee
- HUF 45,000/month allowance (to be paid monthly)
- free accommodation in the dormitory (3-bedded rooms)
- student card (offering discounts)
- health insurance

The scholarship does not cover the following expenses:

- travel to and from Hungary
- language exam fee (ECL exam of level B2 or C1: approx. HUF 25,000)
- registration fee (USD 50)
- cost of two compulsory field trips (USD 600)
- food and personal expenses (the recommended monthly amount for food and personal expenses is approximately USD 250)
